

WELCOME BACK TO SCHOOL!

August 10, 2023

Dear C10 Families,

Welcome to 3rd grade! I hope everyone had a restful and enjoyable summer. My name is Grace Kim and I have the privilege of being your child's 3rd grade teacher this year. Third grade is a year of learning and memory making, and I look forward to this journey with you and your student. Throughout the year we will be sure to practice safe health practices while spending time getting to know each other and creating a loving and inclusive classroom community.

Student Information Form/Science Permission Slip

In order to help me get to know you and your child better, I am asking all parents to complete a [Student Information Form](#) for me. The information on the sheet is for my use only, and will not be shared with others. Please complete the form and return it to me by Friday, August 18th. Additionally, please complete this [Science Permission Form](#) so your child can participate safely in lab activities. This form will be shared with the science instructor!

Drop Off and Pick Up

Please follow our regular safety procedures when traveling to and from campus.

Blacktop/Walking: Parents will be asked to say goodbye to children on the playground at the outer gates by the bike racks. If you choose to park and walk your child to the blacktop, please make sure you park at Tiffany Roberts parking lot and not at the front of the school. Students walking home will be waiting on the playground for their parents. Do NOT ask your child to meet you at the front of the school where carpool children are waiting. Please make sure your child knows your pick up plan for the end of the day!

Carpool: For after school in-car pick up, your child will receive a name card with your child's first name, last initial and grade level on the first day of school. If you will be picking up your student through the carpool lane in front of the school please put the name card in your window or visor to help move the flow of traffic. If not, you may disregard/recycle this paper.

Back-to-School Night

Date: Thursday, August 10 2023

Start Time: 5:00 PM

We will meet in classroom C10 and will discuss important information such as learning policies, procedures, curriculum, homework, and field trips. Please remember this information night is for adults only. If you are unable to attend, don't worry! This [Back to School Night](#) link will allow you access to the presentation you will see. It includes all the links/information we will cover to make this a successful year. Feel free to read it over and email me any questions you may have. I look forward to meeting all of you.

Assessment Days

The following days will follow an assessment schedule: 8/11, 8/14, 8/15, 8/17, and 8/18. Students will get out each of these days at 1:25, unless it is their day to stay. Each assessment day 4 to 5 students will stay after school with me to complete beginning of the year assessments. I will walk your child out at the regular 2:30 dismissal on their day. Please see the schedule below for the one day your student will complete assessments.

Friday 8/11	Monday 8/14	Tuesday 8/15	Thursday 8/17	Friday 8/18
Ella A. Garrett A. Rey A.	Arisha B. Nishita C. Terence C. Ryan C. Ahan D.	Swaraj D. Aamir K. Tashvi K. Induja K. Aria M.	Jaclyn M. Elias M. Karthi N. Priva R. Efe D.	Wyatt S. Anirudh S. Evan T. Brandon T. Anidya V.

Thank you for your support and cooperation! I am looking forward to meeting you all at Back-to School Night on Thursday and I know this will be a fantastic year!
